

Charlotte-Mecklenburg Private and Charter Schools

With over 26,000 students enrolled, private (non-public) schools and charter schools make up a significant part of Mecklenburg County's educational landscape. There are approximately 85 private schools, some of which offer education with a religious or cultural focus. Charter schools, which are public, tuition-free institutions, are becoming an increasingly popular school choice in Mecklenburg County.

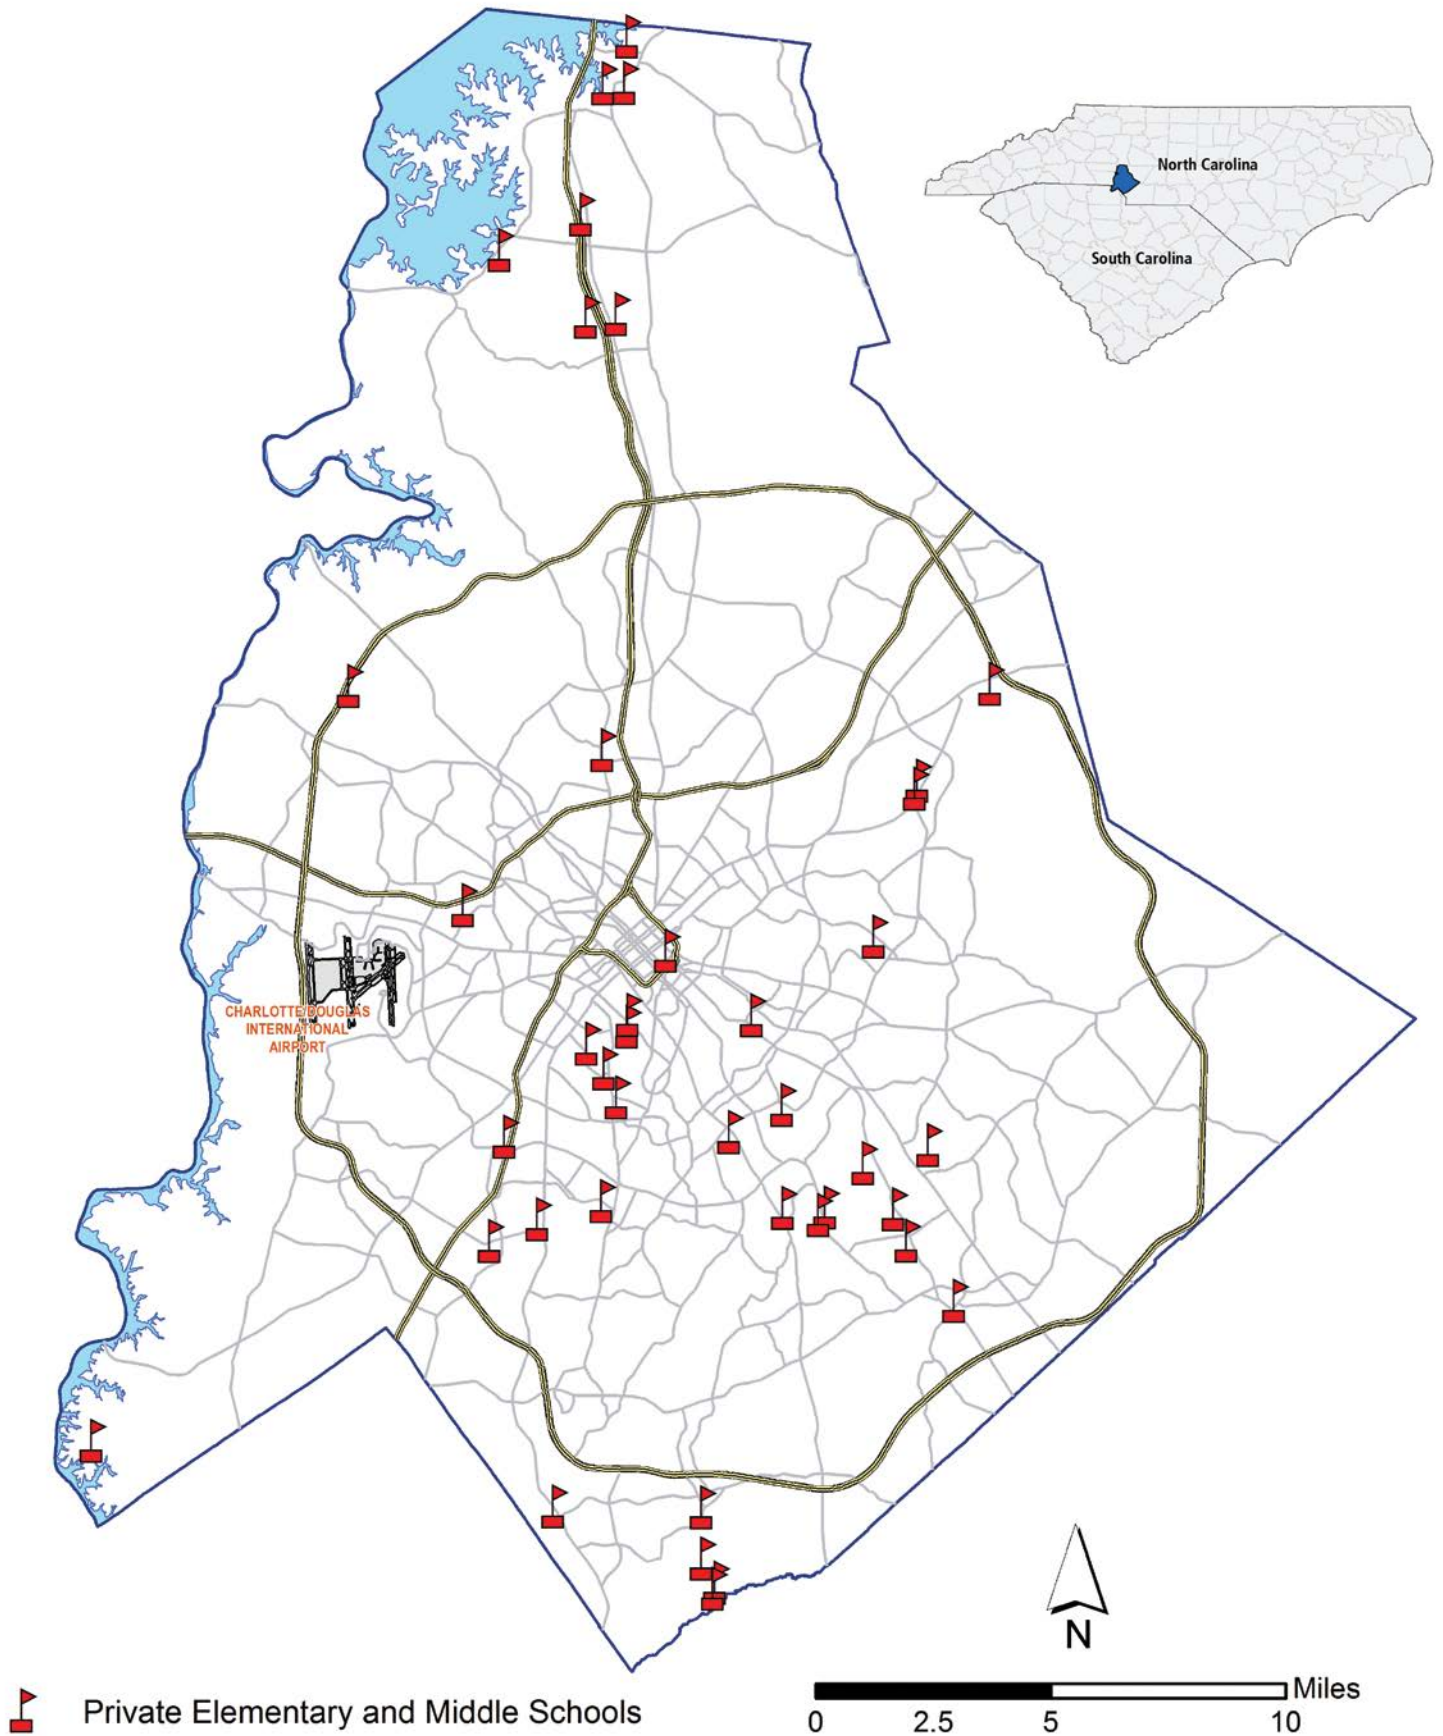

For additional information on tuition and enrollment openings, please contact individual schools directly. For additional information on Charlotte-Mecklenburg's diverse educational facilities, please call the chamber at 704.378.1300. All schools have a Charlotte address unless otherwise indicated.
