

Ted Doheny
President and Chief Executive Officer
Sealed Air Corporation

Ted Doheny is the President and Chief Executive Officer of Sealed Air. Ted joined Sealed Air as Chief Operating Officer and CEO-Designate in September 2017 and was elected a Director of Sealed Air Corporation. He became President and CEO effective January 1, 2018.

Prior to joining Sealed Air, Ted served as President and Chief Executive Officer and a Director of Joy Global Inc. from December 2013 through May 2017. Ted also served as the Executive Vice President of Joy Global and President and Chief Operating Officer of its Underground Mining Machinery business from 2006 to 2013, where he had global responsibility for the company's underground mining machinery business. Prior to joining Joy Global, Ted had a 21-year career with Ingersoll-Rand Corporation holding a series of senior executive positions of increasing responsibility, including President of Industrial Technologies from 2003 to 2005 and as President of the Air Solutions Group from 2000 to 2003.

Ted currently serves as a director of John Bean Technologies Corporation. Ted previously served as a director of Joy Global. He earned his Bachelor's Degree in Engineering from Cornell University and his Master's Degree from Purdue University's Krannert School of Management.

Ted brings his 30 years of extensive experience leading global manufacturers of highly mechanized equipment and systems, including a keen focus on solutions, service and operational excellence and a proven ability to drive profitable innovation-based growth strategies.
