HOW?

Search Charlotte Chamber in your App store and download our app. Fill out your profile and submit. That's it. You are now an Access level member of the Charlotte Chamber.

SO WHAT DOES THAT MEAN?

It means you are one of thousands of businessmen and women who are helping to create opportunity, either through your own professional growth (hey, good talent attracts jobs) or through your support of our efforts in economic growth, public policy and talent/workforce development.

WHAT DO I HAVE ACCESS TO?

- Events: Attend chamber events at a member rate and join us for member-only events
- Meet ups: Participate in Meet Ups to connect with others on specific topics that are important to you
- Discounts: Receive access to special member only discounts on products and services from members, such as Office Depot (with savings up to 45% on more than 500 items).
- Volunteer: Engage in the community by signing up for community volunteer opportunities and track your hours using the chamber app.
- Business Connections: Get matched with other members – mentors, mentees, business experts or entrepreneurs – through our app.

SO IT'S REALLY FREE?

There is no cost to becoming an ACCESS member. If you believe in the chamber mission and want to help move Charlotte forward, we want you on board. The chamber is financially supported by businesses who believe in our city. Our hope is that by providing individuals an opportunity to engage, you will see the value in what your chamber does and encourage the business with whom you work or the business you may one day start, to invest. And, yes, our Investors have access to many more benefits designed to help them grow their business and play a larger role in leading the business community, but we want ALL at the table.

Search **CHARLOTTE CHAMBER** in your App Store.

Access level membership is available to individuals only. It is an opportunity to become active in the organization and have access to events and other benefits, but does not offer an exposure platform for your business. If business exposure is your goal, please contact invest@charlottechamber.com for information on our other opportunities.
