**ENERGY CELEBRATION 2019**  
HOSTED BY DUKE ENERGY

Headquartered in Charlotte, Duke Energy is one of the largest electric power holding companies in the United States, supplying and delivering electricity to approximately 7.4 million U.S. customers. They have approximately 52,700 megawatts of electric generating capacity in the Carolinas, the Midwest and Florida – and natural gas distribution services serving more than 1.5 million customers in Ohio, Kentucky, Tennessee and the Carolinas. Their commercial business owns and operates diverse power generation assets in North America, including a portfolio of renewable energy assets.

The Charlotte Regional Business Alliance is proud to have a strong long-time partnership with our friends at Duke Energy. It's with their support we're able to offer this celebratory dinner to our investors.

We invite you to participate in the 20th Annual Energy Celebration hosted by our partners at Duke Energy. This exclusive dinner, at The Vista on the 46th floor of the Duke Energy Center, provides access to Duke Energy leaders in a quiet and impressive space above the noise of the city. The evening begins with a one hour cocktail reception at The Vista, followed by a seated dinner and a short program. Your seating arrangement and table placement will be based upon your level of support and your preferences upon registration.
