

2019 MANUFACTURING CELEBRATION DINNER

The manufacturing industry plays a substantial role in shaping the Charlotte Region's workforce in large and dynamic ways. As the region's business community convener, the Charlotte Regional Business Alliance is excited to introduce the Manufacturing Celebration Dinner made possible by our partners in manufacturing. From food, beverage and textiles to packaging, appliances and healthcare, this event was created for all involved in manufacturing.

We invite you to participate in this exclusive dinner experience located at the Terrace at Cedar Hill. Through event sponsorship and attendance, attendees will be provided unprecedented access to leaders within the manufacturing space in an intimate and intentional atmosphere. Thanks to the culmination of support from the 2019 Host Committee, industry leaders and attendees, investors will find this dinner to be a unique opportunity to connect with an elite group of stakeholders in the manufacturing space like never before.
