

ADVANCED MANUFACTURING

MANUFACTURING A BRIGHTER TOMORROW

One hundred years ago, the Charlotte Region was known for textile production. Today, growth in sectors like automotive parts, plastics, advanced textiles, biomedical, and energy manufacturing fuel the area's continued prominence as a renowned manufacturing hub.

2 LOWEST CORPORATE TAX
burdens in the southeast (NC & SC)

3,500
manufacturers

146,000
people employed in the sector

“We see the Charlotte Region as a pioneer of the future of manufacturing in the US.”

CHRISTOFFER STIGSBY
General Manager at DMG MORI

REGIONAL BENEFITS

CONNECTIVITY & LOCATION

Strategically located on the East Coast of the United States, equidistant between New York and Miami, the Charlotte Region has the infrastructure to move goods and people efficiently regardless of mode of transportation.
